TELEPHONE CONVERSATION BETWEEN THE PRESIDENT AND SENATOR SCOTT  
(to Senator Scott)

LBJ Hugh?

HS Yes, Mr. President.

LBJ A friend of mine is in today ... and tells me about some panel he saw you on with I think Saltonstall and Pastore... and said that you were very partial to me and very generous and I want to tell you how much I appreciate your friendship.

HS Well, sir, I want you to know that we're praying for you.

LBJ Well, I need it. I never needed it more in my life and I need your friendship and I just appreciate it and of course we'll have differences as members of both parties always do... but we'll disagree without being disagreeable.

HS You're always that way... I'm only too anxious to help you wherever you can. And whenever the chips are down in foreign policy and you need one vote ... you've got it.

LBJ Well, you've always been a good American and I appreciate it but I didn't want you to think that I took your friendship for granted... like what I heard last night... sitting around the dinner table and how much it impressed him and I'm damned glad that you're not running in Texas, cause he'd vote Republican... we've more of them down there than we need, anyway..

HS Well, we have to have our differences... and sometimes on the floor you know I sound pretty partisan... I know you're one to understand it..

LBJ Thank you my friend. I wanted you to know it... I appreciate.

Mrs S Please, may I send my very best to Lady Bird. I know she's going to take good care of you..

LBJ She will and she'll be glad to hear from you... and I'll tell her when I go home tonight.

HSq God bless you sir.

LBJ Thank you Hugh. Bye
