 I was approached at the time of my arrival in the USSR just after I had formally notified the U. S. Embassy in Moscow of my future residence in the USSR by the newspaper agencies in Moscow including U.P.I. API and time inc. who were notified by the Embassy. I did not call them. I answered questions and gave statements to Miss Mosby of U.P.I. I requested her to let me OK. She sent her story before she released it, which is the polite and usual thing. I saw her version of what I said just after she sent it. I immediately called her to complaint about this, at which time she apologized but said her editor and not her had added several things. She said London was very excited about the story (there is how I deduced that she had already

sent it) so there wasn't much else I could do about it. and I didn't realize that the story was even more blown out of shape once it got to the U.S.A. I'm afraid the printed story was fabricated sensationally.

6. why did you remain in the USSR for so long if you only wanted a look?

I resided in the USSR quietly until February/when I wrote the Embassy stating that I would like to go back. (My passport was at the Embassy for safekeeping) they told invited me to Moscow for this purpose however it took me almost 1/2 year to get a permit to leave the city of Minsk for Moscow. In this connection I had to use a letter from the head consular, to the Russian authorities in Minsk (the Russians are very bureaucratic and slow about letting foreigners travel about the country hence the visa) when I did get to Moscow the Embassy immediately gave me back my passport and advised me as to how to get a exit visa from the Russians for myself and my Russian wife, this long and arduous process took months from July 1962 until 1962, therefore you see almost 1 year was spent in trying to leave the country. that's why I was there so long not out of desire!

7. are you a communist? Have you ever know a communist?

No of course not, I have never even know a communist, outside of the ones in the USSR but you can't help that.
