

1. Americans are apt to scoff at the idea, that a military coup in the U.S., as so often happens in Latin American countries, could ever replace our government. but that is an idea that has grounds for consideration. Which military organization has the potentialities of executing such action? Is it the army? with its many constripes, its unwieldy size its scores of bases scattered across the world? The case of Gen. Walker shows that the army, at least, is not fertail enough ground for a far right regime to go a very long way. for the same reasons of size and desposition the Navy and air force is also to be more or less disregarded. Which service than, can qwalify to launch a coup in the USA? Small size, a permanent hard core of officers and few baseis is necsary. Only one outfit fits that description and the U. S. M. C. is a right wing infiltrated organization of dire potential consequence's to the freedoms of the U.S. I agree with former President Truman when he said that "The Marine Corps should be abolished."

2. My second reason is that undemocratic, country wide insitution know as segregation. It, is, I think the action of the active segregationist minority and the great body of indiffent people in the South who do the United States more harm in the eyes of the worlds people, than the whole world communist movement. as I look at this audience there is a sea of white facts before me where are the negro's amongst you (are they hiding under the table) surly if we are for democracy, let our fellow negro citizen's into this hall. Make no mistake, ~~I am~~ segregationist tendencies can be unleared I was born in New Orleans, and I know.

In russia I saw on several occiasions that in international meeting the greatest glory in the sport field was brought to us by negros. Though they take the gold metals from their Russian competitors those negros know that when they return to their own homeland they will have to face blind hatred and discrimonation.

COMMISSION EXHIBIT 102

*The Soviet Union is made up of scores of nationalities  
 and dark skinned people's yet they can teach us a lesson  
 in brotherhood among people's with different customs and origins.*

3. *In spirit of the minority, we liberal communists  
 do not speak in our name of a minority group whose  
 influence and membership is very limited and whose  
 dangerous tendencies are sufficiently controlled by special government  
 agencies. The communist party U. S. A. bears little resemblance  
 to their Russian counterparts, but by allowing them to operate  
 and even supporting their misguided right to speak, we maintain  
 a tremonous sign of our strenght and liberalism harassment of their  
 party newspaper, their leaders, and advocates, is treachery to our  
 basic principles of freedom of speech and press. Their views no  
 matter how misguided, no matter how much the Russians take  
 advantage of them, must be allowed to be aired. After all  
 communist U. S. A. have existed for 40 years and they are still  
 a pitiful group of radical.*

4. *Now-a-days - most of us read enough about certain right wing  
 groups to know enough how to recognize them and guard against  
 their corrosive effects. I would like to say a word about them,  
 although there is possibly few other american born person's  
 in the U. S. who know as many personal reasons to know and  
 therefore hate and mistrust communism. I would never become  
 a pseudo-professional anti-communist such as herbert Philbriks  
 or Macarthy. I would never jump on any of the many right  
 wing bandwagon's. because our two contries have too much to  
 offer too each other to be tearing at each others trouths in  
 an endless cold war. Both are conuntries have major short  
 comings and advantages. but only in ours is the voice of  
 dissent ~~all the ability of that voice of dissent~~ allowed  
 opportunity of expression, in returning ----- to ---- the  
 U. S., I hope I have awoken a few who were sleeping, and  
 others who are indifferent.*

*I have done nothing alot of criticizing of our system I hope  
 you will take it in the spirit it was given. In going to  
 Russia I have followed the old priciple "Thou shall seek  
 the truth and the truth shall make you free In returning  
 to the U. S. I have done nothing more or less than select  
 the lesser of two evils.*
