Dear Mother,

I sent a letter a week ago, but I think I put the wrong address on it so I'm writing again, we received your post card it was very interesting for Marina.

Well at the end of February beginning of March we should have a baby. We want a boy.

There is very little information about the visas, we still have not received them and until we do, we cannot leave the Soviet Union.

You can send me a few pennies, if you like, alot of my friends are interested in collecting coins from America.

The weather here is cold and rather rainy now, although there still is no snow.

If you have any old letters
