Dear Mother

Today I received 2 letters from you one from the 12th and the other from the 17th. as for the gifts we sent you, the can is of candy, eat it in good health.

As too your questions about the money problem I don't know if giving the story to the newspapers is too good, maybe you'd better hold off for awhile about that. I'll tell you when.

The Baby is due around March 1st, we will probably fly into the U.S. on an airplane and I see no reason for you to come to New York to meet us. I want you to understand that although you can aid us in certain, small ways this business about our coming to the U.S. is relatively simple, don't make it more complicated than it is.
