Dear Robert

Today I received your letter of
Nov. 28.

First of all, I can confirm
what you thought about some
of your letters, I did not receive
any letters with "certain" questions.
It's quite possible they destroyed
it.

Did you get my letter about how
they took down the statue of Stalin?
Oh as you say, we hope the crisis
come through.

I got a package of books and
magazines today from mother, it's very
interesting to read some of the
stories in "Time" about life and politics
in the U.S.S.R., most of the stories are
wrong, they are too uninformed.
I hope you get our letter

package by Christmas. Maria worked
on those table napkins for Vada for
two weeks.

at the post office they did not
allow me to send some "FILLIN" (candy)
they said it was "produce".

Its mighty cold here, about 10°
below zero, as far as I can tell.

The lounge is covered with
snow, but the pine tree and out greens
the river near our apartment house
is frozen now. We have a very good
view from our fourth floor windows.

Well, that's about all for now,
Maria sends her love, keep writing.
