

April 12. April 17, '16

Dear Robert,

Well spring has finally come to  
musk with the snow melting and  
above-freezing temperatures.

It looks like we'll be  
leaving the country in April  
or May, only the American side  
is holding us up now, the Embassy is  
as slow as the Russians were.

How is everything at the  
house?

I got a letter from the Marine  
corps. not so long ago, than I sent  
them a request for a re-hearing  
on my undischarged discharge. I told  
them I would be back in the U.S.  
after incage, and they could contact  
me through your address.

Now that winter is gone,  
I really don't want to leave until  
the beginning of fall, since the

spring and summer here are so nice.  
mania and June are all right.  
June already weighs 11 lbs or so.  
she's real cute.  
mania sends her "hello" to the  
family. That's about all for now.
