

Minden, La.
2 Nov. 62

Dear Larry:

Much has happened:

1) Barbara and I are being married tomorrow morning. We are not taking a honeymoon but returning straight to our apartment in Dallas.

2) I finally met Frank Matthews at his home last night in Dallas. We conferred privately for 4 hours. CVSA + VIC are to merge in the fall of 1963, as soon as Bernie + Norman are in Dallas.

3) Frank is to be the president & I the vice-president. You, Norman + Bernie, and three other VIC boys will be the board of directors.

4) This is a top-secret merger & is not to be discussed outside the Movement.

5) I have been hired by the VIC at \$500 a month. Each of you will be employed by the VIC as you return (to include Marilyn).

6) We shall help the VIC until the merger is effected.

7) VIC rallies are to be conducted by
COSA in Munich. We shall ship material,
films, lecture material, etc, to you. Also,
there will be live telephonic arrangements
made so that you & COSA in Munich
can listen into rallies in Dallas as they
are held.

8) In the event the Army arrests you,
McHebe has assumed me the right-wing
movement, particularly the VIC & the John
Buch Society will step to your aid
with political & legal backing.

9) Conservative politicians visiting Munich
will personally confer with you to add
prestige to your movement.

10) You are to act as a continuity center
of the VIC in Munich.

11) McHebe and I hope to get to Munich
ourselves for some rallies.

12) Our immediate task (Frank's & mine)
is to organize the VIC & collect memberships
dues.

13) I shall be responsible here, now, for
fund solicitation, press letters, PR writing

Gentlemen, we got everything we wanted. Frank bought our gold & plans 100 per cent. Actually, also coincided with his anyway.

I trust you see the thinking behind my bold move. It saved us the trouble of infiltration, got us everything we had intended to get, 18 months ahead of schedule! McKelvie is our type of man: a big thinker! But, still, I do not completely trust him. Yet, I feel he is dealing with us. Naturally, he expects to see us again.

Harry, you should have been there. Never was I in better form! Things came out of my mouth like never before. What old lady luck remains...

One bad thing, though, Frank gives me the impression of being rather anti-Semitic. He's Catholic. Suggest Bernie "convert" to Christianity — and I mean it. We must all return to Church. These people here are religious bugs. Also, no liberal talk whatsoever. Go.

We shall have to get rid of Hayswood, maybe even Weiss. These people are clever, they would see through you in 30 seconds. Weiss can stay if he shuts up on liberal thoughts. If one liberal word comes from the mouth of any one of us, we'll be all finished. That is no joke.

Also, down here a Negro is nigger. No one - and I mean no one - is ever to say one kind word about Niggers. Only liberals do that. Liberals are our enemies. Never forget that! Let Bernie straighten that. On the other hand, the KKK is passe. Don't praise it. Don't preach race hatred. Don't say anything good about niggers - but don't talk about harming them either. The Conservative isn't "agin the Niggers, he just wants to keep them in his place for his own good".

Howley will return in December. He is expected already. He will be absolutely nensed in the Conservative philosophy.

All of you will be. Believe me, if not,
- just one slip-up - these people will
cashier you fast.

See Massey not to get shook because
he's not knowl. of direct's list. He's still
our partner.

I did not mention Ambus at all,
keeping it a secret for now.

Frank wants to send you projects
to test you - see what you can do.
I've really built you boys up high. Don't
let me down. I think I'm doing a
damn fine job over here - you keep
up your end.

Continue your planning - increase
activity, especially self-education or Con-
servatism. Much material soon to be
sent. After planning now on basis of
our new Coalition. In other words, from
Sep. 63 on. Think in terms of 300,000
members, \$3,000,000. Add an "Education
& Information Division" to organization.
It will be run by WPC people.

Here's another clincher: John Birch Society now has million members. Look for us to merge with them by 1964. You can see the power that will give us!

Arrangements are being made for me to meet the head of the Dallas J. B. C., Gen. Walker, and C. I. Hunt, the Texas oil millionaire. I have already met the top editors of the Dallas Morning News, the Country's most conservative newspaper.

Now, I want you guys to send me \$25 a month expense money, doing a lot of things for Christ is costing me a lot of money personally. In other words, I want an expense account: newspaper subscription, private mailing of literature & info, tapes, etc, etc. Don't hitch, I have a wife to support.

There are a lot more things I need to pass on in detail but right now I'm helping Barbara pack all her belongings. In 12 hours we'll be man & wife.

Everything is going beautiful.

Do not do anything about Hay-
wood or Weiss before we discuss it
further. Do not take any daring steps
orally until I give the word.
As I said before, the good times
are gone. Forget social lives Monday
through Friday. If these boys don't
want to work - get rid of them
But clear through me first.

Oh, yes, Don't worry about my
associating with radicals - All
these people are all radicals - but
there's a method to their madness.
You see, they're all after exactly what
we're after!

Schuss,
Lennie
