— de Mohrenschildt Exhibit No. 4 —

Dear Pascal:

I'm sorry we missed you during such short stay in Dallas. We packed up in a hurry, came to Miami. Our car & heavy belongings are being shipped by boat and we are flying to-morrow to Santo Domingo. Then to Haiti. When you come to visit us, you will realize what we have at stake in Haiti, especially the sisal concession in Mambouc's, 35 miles from Port-au-Prince. We can be located West of American Embassy, or of Banque Commerciale d'Haiti, Rue du Centre.

Hillier office (permanent)

Thanks again  
for everything. The drinks  
with Carmen were most  
pleasant. If you have any  
opportunity kindly explain  
to Hamon & Crispit my  
difficulties w. my daughter  
Nadga.

Haiti looks like  
a paradise compared to  
those d... quakes!

Best regards.

James & George de M.
