Date December 2, 1963

Captain FRANK M. MARTIN, Dallas Police Department, Juvenile Division, was interviewed at his home at 609 Five Mile Parkway. Captain MILLER advised he was regularly assigned to the Juvenile Bureau and works from 8:00 a.m. to 5:00 p.m.; that on November 24, 1963, he received no specific assignment regarding the security aspects of transporting LEE HARVEY OSWALD from the City Jail to the County Jail. He received no instructions and assumed his duties were to control the crowd of people and newsmen in the basement of the police station. He had received no information regarding the threats on OSWALD's life.

He and the five detectives who were under his supervision went to the basement of the police station at approximately 11:00 a.m. Inasmuch as they had no specific assignments, they positioned themselves to control the crowd. He gave his men no specific assignments. He is unable to recall exactly when he received his instructions to be at the police station for the transfer of OSWALD.

Captain MARTIN advised he was not informed of any change of plans to transport OSWALD by automobile rather than by the armored truck.

According to Captain MARTIN, he knows JACK RUBY by sight, however, he did not see him in the Compound prior to the shooting. He advised that had he seen RUBY he probably would not have put him out as he had received no instructions in this regard. He knew of no unauthorized persons permitted to be in the basement and had no knowledge whether persons went to identify themselves before entering; however, he left the Compound on one occasion and was stopped at one of the ramp entrances by an auxiliary officer regarding his identity. He advised that auxiliary officers were stationed at each ramp and that to his knowledge this was the only entrance to the Compound which RUBY could have used. He stated the auxiliary police are commanded by Captain SOLOMON.
