Dear John - I am  
Received your money  
order yesterday. I am  
try and sent something  
home always. I've  
had a reputation  
car down and missed  
a week of school  
besides a large doctor  
bill. Always something.  
I am going to see  
the Doc - Capitan right  
see in just a little  
while. 2.00 a ticket  
but it will be the  
spine I have spent  
otherwise than to meet  
my bills. I just

will be paid for.  
It has certainly  
been a struggle.  
Hope you are  
doing well  
with your studies  
Study hard and  
make something  
of yourself. Hope  
to send Robert  
back to school  
in Sept. Write me  
about Margie. Does she  
work or still goes  
to school? I received two  
very sweet letters from  
her she seemed to be  
very sweet. Love  
Mother

Tuesday

Dear John -

Sorry to hear about  
your foot being cut. I guess  
you are getting good care.  
Be careful and make sure  
it is completely healed before  
you wear your black socks.  
What a course! Guess it is  
all in a day's work.  
Robert had the flu and  
was off work about four  
days but he is fine now.  
Ree is anxiously waiting for  
school to be out and had  
plans to go to "Camp Porter"  
She had picked them up  
in the evenings and also
