

Dear John -

Sunday John Pic 19

Well sometimes is  
 New and it has been very  
 hot with a lot of pain along  
 with it. Had a sort of storm  
 here Fri but did no damage  
 to either of our places.  
 Robert has been saving his  
 money since you told him  
 to buy a car. He gives me fifteen  
 a week and never spends a  
 cent unless absolutely necessary  
 (is he tight) but he has saved  
 \$210.00 since the first of the  
 year and is sitting for \$400.00  
 before buying a car. Would  
 love me a penny but pay  
 his room and board regularly  
 He gets a two weeks vacation  
 with pay. I believe it will  
 start in July.

about my job and all  
 the dickering cost me money.  
 I only made \$2.00 last  
 month and am just starting  
 to get back. Some back  
 with the some company.  
 Lee would like to take  
 Tap dancing lessons. There  
 is a studio on Camp Bowie  
 I promised him or soon  
 as I pay for the car he  
 can start. She is a good  
 dancer and with his voice  
 it would be a good thing  
 to start dancing lessons and  
 when he is a little older  
 take voice. Why don't you  
 call on some night? Would  
 sure like to hear your voice  
 It doesn't cost so very much  
 Mrs. Margie? Tell her hello and  
 to keep me a list Love  
 M.D.
