Commission Exhibit John Pic 33B

Dear John -

Thanks for the \$20.00 I could just  
at the right time as I had \$7.00 toward  
a home payment and the twenty made up  
the difference. Sure do hope you get to  
come home. I am painting the front  
room walls a dark green. They sure  
look pretty. The company bought nice  
furniture and gave me their old  
sofa and chair so, I had them  
reupholster and were they surprised  
after they saw how nice it looked.  
You didn't say when you are going  
this trip so try and drop a line  
before you head or else call.  
My, you sure got a promotion quick  
Keep up the good work. I am writing  
this at work so will close. Lots of love  
Mother
