

Dear John -
Thank you for the \$100.00. I was
and also the fact as to how I was
glad to get it but a little disappointed
on the amount since you had said it
would be more. Had a little trouble
with your income tax. You claimed
me as a dependent and I cannot reach
them 1000.00 had been so I had to
strengthen it out. Would have my name
about it in yet. John, I suggest you
have them send a certain amount out
of you check each month so I will
have how to manage. If you intend
to and money had please let me
know. I realize you are on your
own so let me know exactly what
you intend to do.

As said you are getting to sea
real soon and probably you will
be back by the time you get to come
home. Do you mean you are going
to be stationed in Iceland or just
on a trip. That sure is a long way
from home. Had you had a chance
to see N. York well of the nearby
places. I am sure you enjoyed

Every minute of it. I would like
to work a few days but needs
had a slight cold in the head.
I friend called the morning to
tell me of an opening in a office
for P. O. operator and it will pay
10.00 more a month than I am
now making. Will see about it
Write her and, if possible, send
her a dollar or so. It would
make him very happy. Write
me often and all the news
before you start on your trip

Love & Best Wishes
Mother

Dear John - Commission Exhibit No. ~~8~~ ^{John P. 0}

Think you will like
a sea voyage. You are certainly
getting to go places. Thought
they gave leave after both
travels. Will try and send
a picture of all three of us.
Your last picture you sent
was very good. Ben said
you sure looked healthy and
good looking. My! My!
The Perry came by and was
disappointed you weren't coming
home. A lot of the old crowd
has either left or been transferred
It is getting hot now but is
real cold in the store and when
I go outside the change about
knocks me for a loop.
Be good
Joe
