

Gentlemen:

I'm filing this document with you because it explains why I need the help of the United States and more especially your help.

My brother Jack, was deprived and is being presently deprived of his constitutional and civil rights.

The hatred and bigotry in Dallas, Texas, resulted in the assassination of our president, & almost cost the lives of our present president Mr Johnson and others.

Earl Ruby Exhibit 2

With all the protection that the gov could give, it could not guard against and prevent the assassination.

My family and myself are unable to cope with this situation and it may result in my brother's death.

As pointed out in this document, my brother's job is being made the scapegoat in this horrible situation.

I therefore need and respectfully request your assistance in order that those guilty of this atrocity, either because of their acts of omission <sup>or</sup> negligence or commission shall not go unpunished. ER

I don't think that my brother  
 who had nothing to do  
 with the assassination of  
 the president should be  
 the only one punished.

My family ~~at~~ well as  
 myself have almost  
 exhausted all of our  
 resources in an effort  
 to protect my brother's  
 civil rights but now I'm  
 calling upon you for the  
 help we need.

I am ~~attaching~~ <sup>with you</sup> ~~copy~~ ~~of~~ ~~the~~ ~~letter~~
