Dear Sirs;

I am returning the loan applications filled out and the information for which you asked.

On Feb. 15th my daughter was born. I have registered her as June Lee Oswald. If you will tell me what is required in relation to preparing documentation for her I shall be glad to forward copies of her birth certificate and as far as in regard to the photo which you mentioned would be necessary, please specify as to size number and whether group or single pictures.

I assumed that you realize that my getting a promise of employment in order to meet the immigration clause for the entrance of my wife

is quite impossible.
Please keep us informed as to progress on our applications.
Perhaps it is possible for the Embassy to have my daughter included in my wife's exit passport since that must also be done, and done in Moscow.

Sincerely,
Lester Oswald
