Mr. Lee H. Oswald,
House 4, Apartment 24,
Kalinina Street,
Minsk, USSR.

Dear Mr. Oswald:

The Embassy has received your letter and enclosures of January 16, 1962. Regarding the visa petition for your wife, we are attempting to get an early decision from the Immigration and Naturalization Service and will of course inform you as soon as we receive word here.

We shall retain on file the affidavit and other documentation which you sent, although there is considerable doubt about their adequacy to meet the provisions of U. S. immigration laws. You may be sure that this question will be fully explored. Meanwhile, I cannot urge you strongly enough to attempt to obtain a support affidavit from a close relative in the United States, in order to insure that your wife will be able to travel with you. There is no other documentation now required from you.

Should you and your wife depart after your child is born, it will be a fairly simple matter here to have the child included in your American passport. You will be required to submit the child's birth certificate and photographs.

Sincerely yours,

Joseph B. Norbury
American Consul
