LIALIA was very definitely of Russian descent although she might have some Polish blood as her mother had possibly come from Poland. MARINA stated that to her knowledge, LIALIA had never lived in Moscow but had only visited there for short occasions to see her relatives.

MARINA OSWALD was interviewed at her place of residence, 11611 Farrar Street.

She was questioned concerning a notation on a sheet of autobiographical notes of OSWALD. This notation showed his wife as MARINA NIKILIEVNA OSWALD, and written underneath that was the name "DAVID LEE OSWALD, son, American". MARINA OSWALD said that this had been a note made by OSWALD before the birth of her first daughter, JUNE. OSWALD thought the first child would be a son and had already selected the name as DAVID LEE. It was in anticipation of this that he made this note on this autobiographical sketch.

MARINA was asked if she recalled that OSWALD had in his possession a phonograph record when he returned to Dallas, on October 3, 1963. She said she did not know if he had a phonograph record and that if he had brought a phonograph record back to Dallas on that occasion, she did not know about it.

She also said OSWALD had never spoken to her about Jai-lai games.

MARINA said she had never been in, nor seen, the residence at 1026 North Beckley, where OSWALD last lived.

MARINA was asked the direct question if OSWALD had ever said anything, or did anything, to indicate to her he was thinking of, or intended to, kill or attempt to assassinate or harm the late President KENNEDY, or Governor JOHN CONNALLY. She answered that OSWALD had not said anything, or done anything, to indicate any intentions to harm either late President KENNEDY, or Governor CONNALLY. She said that the accusation of OSWALD as the assassin of President KENNEDY had

come as a "thunder clap" to her.

She said that she cannot recall that OSWALD ever said anything, or wrote anything, against Governor JOHN CONNALLY. She said OSWALD had told her he had written to the United States Navy, protesting his undesirable discharge, and that he had received a form letter from the Navy, stating that his request would be considered. He made the remark to her that the bureaucracy in the United States was just as bad as it was in Russia.

MARINA identified two additional acquaintances of hers in Russia. These persons are TAMARA ALEKANDROVNA SANKOVSKAYA, who is approximately age 34, and was an employee of the Third Clinical Hospital at the same time as was MARINA. This woman is married and has a child and is a pharmacist by profession. Another friend of MARINA'S was SOFIA VASILEVSKAYA, now about age 25, who also was employed at the Third Clinical Hospital at the same time as was MARINA. She was also a pharmacist by profession.

MARINA said if JACK RUBY is found guilty of the slaying of LEE HARVEY OSWALD, she would hope RUBY would not forfeit his life, as she believes enough blood has been shed in this matter.

MARINA OSWALD was interviewed at her residence, 11611 Farrar Street. She was questioned concerning the trip of LEE HARVEY OSWALD to Mexico in September-October, 1963. She recalls seeing the English-Spanish dictionary and the other dictionary along with some picture postal cards of Mexico scenes in the RUTH PALINE residence, and she knows that these were the property of LEE OSWALD, but she did not think anything about the origination of the articles nor did she know that they had come from Mexico.

She said the bracelet given her by OSWALD had been given to her immediately after OSWALD returned to Dallas in early October, 1963. She did not ask OSWALD where he had acquired the bracelet and she did not know where he acquired it. It did not occur to her that this bracelet might have been purchased in Mexico as she did not know that OSWALD had been to Mexico.

Shortly after the assassination of President KENNEDY, she showed a coin to Mrs. PALINE which coin had a hole in it. She said this coin had been given her by OSWALD after his return to Dallas in early October, 1963, but not immediately after his return. She cannot recall the exact date that he gave her the coin. She read the inscriptions on the coin and knew that it was a Mexican coin, but she did not think about it being acquired by OSWALD in Mexico.

She stated she does not recall OSWALD ever mentioning to her that he saw a 'jai alai' game or intended seeing one or was interested in 'jai alai'. She does not recall that OSWALD brought a phonograph record with him to Dallas in early October, 1963.

MARINA was exhibited the rough draft handwritten letter of OSWALD in which information was set out that he had been to Mexico City. She said this handwriting appeared to be OSWALD'S. She could not remember ever seeing the letter before. She said she cannot read English and had not read the letter.
