MARINA OSWALD was interviewed at her residence, 629 Belt Line Road.

She was questioned concerning information received from PHILIPPE VAN DER VORM regarding the difficulty a young American had at Kilometer 26 while riding on the Del Norte bus from Mexico City en route to the United States Border, which was the same bus on which OSWALD traveled from Mexico to the Border. MARINA stated OSWALD had not told her about any difficulty he had with any Mexican officials or other persons while he was on his visit to Mexico in September - October, 1963. She said she does not believe OSWALD had any such difficulty or that he was removed from a bus in Mexico. She said he did not speak of being fined or otherwise approached for payments of any money on leaving Mexico.

MARINA was also shown photographs of MARY LOUISE CAMACHO, nee Patterson, as information has been received that this person possibly knew OSWALD while he was in Russia. Upon viewing these photographs, MARINA said she did not recognize the person therein depicted and did not know this person by name. She said she did not believe OSWALD knew this person, as she had never heard him speak of such a person.

MARINA was questioned concerning the possibility that LEE HARVEY OSWALD was photographed with a Mrs. MARIE LORETTA HYDE, of Port Angeles, Washington; Miss RITA NAMAN, and Mrs. MONIKA KRAMER, all residents of the United States, while they were on a visit in Minsk, Russia, in August, 1961. MARINA said she did not know of any such photograph which had been taken, although it was entirely possible OSWALD had become acquainted with such persons and had had his picture made. She was not aware, however, that such had occurred.

Re: LEE HARVEY OSWALD

Photographs of the fragmentary stickers and tag on Commission Exhibit C-254 were shown to Mrs. PAINE, at which time she stated she does not recall seeing these before and does not know when they were put on Commission Exhibit C-254.

On April 24, 1963, RUTH PAINE recalls taking LEE HARVEY OSWALD to the Continental Trailways Bus depot in Dallas, Texas, at which time he took his luggage into the bus station, apparently checked it, and returned to her car. She recalled he had two green duffel bags, a tan, portable, Russian-made radio, and some suitcases, but cannot specifically recall whether these suitcases resembled the photographs of Commission Exhibits A-1 and C-254.

Mrs. PAINE advised, after examining replicas of the fragmentary tag and stickers found on Commission Exhibit C-254, that she cannot recall seeing any such items, or fragments of such, at any time on Commission Exhibit C-254 or any bag resembling this exhibit.

Mrs. PAINE advised that she is unable to explain the significance of the number "7" appearing in the photograph of a fragmentary sticker found on Commission Exhibit C-254, and advised that if this is a part of an address, she has no idea as to what address it is.

On May 4, 1964, MARINA OSWALD was interviewed at her residence, 629 Belt Line Road, Richardson, Texas.

MARINA was questioned concerning the traveling bags used by OSWALD on his trip to New Orleans, Louisiana, in April 1963 and on his trip to Mexico in September-October 1963. She said she cannot recall exactly, but believes OSWALD took two bags on his trip from Dallas to New Orleans in April 1963 when he preceded the family on that move. She emphasized that her memory on this point was not very good. She said she believed OSWALD took the blue canvas zipper bag which he owned and which is depicted in the photograph labeled Commission Exhibit A-1, and the larger folding green canvas bag, which is labeled Commission Exhibit C-254. She was exhibited both of these photographs and identified each as being the property of OSWALD.
