no I guess I'll try to write him.

I'm very depressed by
the news just on the radio:
Marina O. says Lee dragged
to her he had shot at Gen.
Walker. ^{from newspaper I've learned} (That shot was taken) Apr
10th. He got the rifle Mar.
20th.) Would I'd had more
awareness of what manner of
man this was. How I grieve
at the loss of the president.

Love, Ruth.
