BERNARD WEISSMAN telephoned the program shortly after the above statement was made and questioned LANE about the alleged conference that LANE had said occurred a week before the assassination.

LANE indicated he had received the information about this conference from a very, very responsible Dallas citizen. LANE wanted WEISSMAN to meet this person and also said that he wanted to meet WEISSMAN himself. WEISSMAN said that he would also like to meet LANE.

MURRAY BURNETT then gave WEISSMAN a telephone number where WEISSMAN could reach MARK LANE at the conclusion of the program. WEISSMAN agreed to call this number at 1:05 a.m., on that morning.

In the second reel of the tape recording, LANE answers several questions about the assassination and reiterates his belief that the Federal Bureau of Investigation (FBI) version of the assassination is not correct.
