LEE HARVEY OSWALD

Concerning the markings on the large and small maps depicted in Exhibit D-240, a confidential source abroad has advised that the central markings in the J-7 and the H-3 areas of these maps define Lee Harvey Oswald's place of residence at the Hotel del Comercio at Bernardin de Sahagun Street, Number 19, Mexico, D.F., Mexico.

Examination by the FBI Laboratory of Exhibit D-237, the portion of the Transportes del Norte bus ticket obtained from Mrs. Oswald, established that D-237 was originally connected to the two ticket stubs depicted in Exhibit D-202. The examination further established that the D-202 ticket stubs were originally connected.

According to a confidential source abroad, Mr. Ricardo Medina, Mexico City manager of the Transportes del Norte line, explained that tickets issued by his company for travel from Mexico City, Mexico, to Laredo, Texas, consist of three sections which are delivered to the purchaser. Each of these sections bears the same number. According to Mr. Medina, one section is for travel from Mexico City to Monterrey and the second is for the travel between Monterrey and Laredo, Texas. The third section, recording the total travel from Mexico City to Laredo Texas, is retained by the passenger. This section (Exhibit D-237) records the price of the ticket to be ninety-three pesos and seventy-five centavos. The tickets of the Del Norte line are pink in color and are torn from a bound, numbered book of tickets in which a stub remains to record the sale thereof.

LEE HARVEY OSWALD

The following was received from a confidential source abroad:

Mr. Roland Barrios, former employee of the Chihuahueses Travel Agency, Mexico, D.F., Mexico, when shown Photostats of the exchange order (Exhibit D-202) issued in connection with the travel of H. O. Lee from Mexico, D.F., Mexico, to Laredo, Texas, via the Transportes del Norte bus line on October 2-3, 1963, stated that the handprinting and signature on this document were his and that undoubtedly he handled the transaction represented by the document. A photograph of the tourist card (Exhibit J-3) of Lee Harvey Oswald was also displayed to Mr. Barrios. He stated that he would interpret the comma following the name "Lee" on the tourist card to indicate surname of the traveler to be "Lee" and, in order to avoid unnecessary writing on the exchange order, he would have used the initials of the first and middle names appearing on the tourist card which he considered to be "Harvey Oswald."

Mr. Barrios stated he could not recall Lee Harvey Oswald or his dealings with him. On viewing the above-described document, he affirmed that he would have written the name of the traveler as "H. O. Lee" had he copied this name from Oswald's tourist card.

Mr. Barrios stated that he would attempt to reconstruct the events following issuance of the exchange order in question. However, he subsequently advised that he was unable to recall his contact with the traveler for whom he issued the exchange order in the name "H. O. Lee."
