LARRY LYNN CLARK, 514 Royal Avenue, Grand Prairie, Texas, advised on December 9, 1963, as follows:

He frequented the Sports Dome Rifle Range in Dallas, Texas, and was acquainted with MALCOLM PRICE, who, also, practiced there. PRICE had discussed with him the fact that LEE HARVEY OSWALD had been at the range and that he, CLARK, might have seen him.

He said he had seen OSWALD's picture on TV and in the papers many times and he could not recall having seen this individual at the rifle range. He said the face looked vaguely familiar but he could not tell where he might have seen this party before. He did not know LEE HARVEY OSWALD by name, description or by photograph, nor did he know JACK RUBY, although he had seen this man's picture in the newspapers also.

RE: LEE HARVEY OSWALD

ANNIE LAURIE ODIO was interviewed at the residence of her brother, CESAR ODIO, 1600 South West 82nd Place, Miami. She advised that she is a Cuban exile, 18 years of age, and resides currently in Dallas, Texas. Her mother still lives near Havana, Cuba, and her father is a political prisoner of the CASTRO regime:

Miss ODIO said that in the Summer of 1963 she had been living with her sister SILVIA ODIO in an apartment in Dallas and was a summer employee at a university. In late August, 1963, she lost her job and for reasons of economy moved from the apartment of her sister to live with an American family named C. B. MATLOCK, also in Dallas. One day late in September, 1963, exact date not recalled, Miss ODIO went to the apartment of her sister SILVIA for a day or two in order to assist SILVIA in packing her belongings preparatory to moving. Miss ODIO recalled that this was a week day as SILVIA had been working that day.

During the evening hours, sometime after 6:30 P. M., as SILVIA and she were dressing in the bedroom of the apartment, there was a knock at the door and Miss ODIO went to answer it. There were three men in the hallway outside the apartment, two having the appearance of Cubans and one who appeared to be an American. One of the two Cubans inquired in Spanish for SILVIA. Miss ODIO then put the chain latch on the door, called SILVIA and returned to the bedroom to resume dressing. She said that SILVIA spoke with these men for several minutes after which they departed. They had not been admitted to the apartment but had remained in the hall.

On November 22, 1963, Miss ODIO was present during the parade of President KENNEDY and his party through Dallas. She recalled that the President's car had passed within a few feet of her about 15 minutes before the assassination. When she returned to her home and heard of the assassination, she turned on the television set. Subsequently, LEE HARVEY OSWALD appeared on television as the leading suspect. Miss ODIO said that as soon as she saw OSWALD on television she had a distinct impression that she knew she had seen him before.

RE: LEE HARVEY OSWALD

A short time thereafter while visiting her sister SILVIA, Miss ODIO mentioned to SILVIA that she had had the feeling that she had either met or seen OSWALD previously. SILVIA then remarked that OSWALD was the American who had accompanied the two Cubans to SILVIA's apartment in late September, 1963. Miss ODIO said that she then recalled that incident and realized that this was in fact the person of whom she had been thinking when she saw OSWALD on television. Miss ODIO said that she was almost certain that the American who came to SILVIA's apartment with the two Cubans was OSWALD. She said that she was unable to furnish any information regarding the identities of the two Cubans, nor could she be more specific as to the exact date of the incident.

It is noted that it is illegal to fire a weapon within the city limits of Dallas, Texas; further, that Dallas Love Field lies within the Dallas city limits. To the southwest of Love Field, approximately 3 miles from the Love Field property line lies an area largely unpopulated which consists of marsh land and forest, bordering the Elm Fork of the Trinity River and consisting of approximately 50 square miles. Located within this area are numerous places where a person could fire weapons. There are located in this area two gun clubs, the Dallas Gun Club and the Trinity River Rifle Club.</p> <p>On 2-6-64 at the Dallas Gun Club in company with SA Warner interviewed Mr. G. S. Tucker, manager of the Club. The records of the club were checked for the name of L. H. Oswald or Alex Hidell with negative results. Mr. Tucker advised that entrance to the Gun Club was by membership only and that the Club is under supervision 24 hours a day and that it would be impossible for a non-member to use the Club. He stated that the property adjoining the gun club affords numerous places for persons to fire a weapon and this is done on occasions without drawing any undue attention; that quite often people go into the wooded area in the</p>
